Disclaimer:

Please be advised that there are various factors involved in the ultimate payment of death benefit funds to each MBC investor. Several of these factors are not under the direct control of the Trust or its agents. The Trust has no control over the ability to always *timely* receive certified death certificates from appropriate governmental agencies; to timely obtain valid and completed tax forms from the investors; or each Insurance Carrier's time for processing the death benefit claims and remitting the proceeds to the Trust.

At times, the entire process can be a lengthy one. However, when the death benefit proceeds are received by the Trust, its agents will take prompt and necessary steps so that each named applicable beneficiary will be forwarded a check as efficiently as possible. We appreciate your cooperation and patience during this process.
